This course explores some of the pivotal events and experiences that have influenced the development of Canada's identity as a nation. In this class students will learn about the 20th Century which Prime Minister Laurier dubbed, "Canada's Century". Students will also develop their ability to make connections between historical and current events. Students will have opportunities to formulate questions, locate information, develop informed opinions, and present ideas about the central issues and events of the period.

Course Outline

- Unit 1 The Turn of the Century (1896-1913) Establishing Themes & Review
- Unit 2 World War I (1914-1918)
