

Extra Credit Assignment – Civics

** Are you interested in additional marks? You may create up to 4 of these (one per province). An example will be posted in our classroom.

YOUR TASK:

1. Choose a province or territory in Canada
2. Find an image of their flag – list 3 important details on the flag (must be in colour)
3. When did they enter confederation?
4. What is their moto?
5. What is their capital city?
6. What are the two largest cities & their population?
7. What is their current population?
8. How many seats do they have in the House of Commons? What parties do they represent?
9. Which political party is in charge? Who is their leader?
10. What are their key tourism attractions? (2)
11. What are two of their key industries?
12. Find a small image of the province

**Remember – this is an extra credit assignment. Late assignments will not be counted. **
